

# Heterosexual transmission of HIV /AIDS in Whiteside County is on the rise.

- . Have you had unprotected sex?
- . Do you know the sexual history of current and past partners?
- . Have you had sex for money or drugs?
- . Have you had sex with anonymous partners?

These are a few of the factors involved with contracting HIV

For confidential HIV testing, call Whiteside County Health Department at (815) 626-2230, ext. 1232.
