Children services

Children can receive all services that are able to be performed in our office will be performed on patients thru 20 years of age.

Adult services

Root canals can be performed on anterior.
Most anterior root canals may not need a crown.

Patient will need to pre-pay prior to these services root canal, post and core or build up, and crown in order to schedule the root canal appointment.

Molar root canals and any other tooth the dentist deems necessary will be referred to endodontist.

Patients can have crowns performed in our office as long as they go to an endodontist. They will need to pre-pay for post and core or build up and crown to schedule an appointment.

If patient has referred root canal performed by a general dentist we will not do the post and core or build up and crown in our office. They will need to have the dentist who performs the root canal, do the post and core or build up and crown at that office.

All major services will need to be pre-paid in order to schedule an appointment. All general work must be paid at time of service in order to schedule another appointment.

*Additional procedures may be added as needed and prices will be directed by usual and customary.
