

Adolescent Annual Questionnaire (12-17 years)

Your answers on this form will remain confidential.

We ask all our adolescent patients to complete this form at least once a year, because substance use and mood can affect your health. Please ask your doctor if you have any questions.

Patient Name Label

Date:

PHQ-2 (Ages 12 and older)

PLEASE CIRCLE YOUR ANSWER: Over the last 2 weeks, how often have you been bothered by the following problems?	Not at all	Several days	More than half the days	Nearly every day
1. Little interest or pleasure in doing things	0	1	2	3
2. Feeling down, depressed, or hopeless	0	1	2	3

****For Rooming Nurse: Total Score =** _____

Complete the PHQ-9 in EHR for a score of 3+

CRAFFT:

In the last 12 months, did you:

No

Yes

Drink any alcohol (more than a few sips)?

Smoke any marijuana or hashish?

Use anything else to get high?

If you answered No to all three questions, answer #1 below.

If you answered Yes to any questions, answer questions #1-6 below

No-0

Yes-1

1. Have you ever ridden in a car driven by someone (including yourself) who was "high" or had been using alcohol or drugs?

2. Do you ever use alcohol or drugs to relax, feel better about yourself, or fit in?

3. Do you ever use alcohol or drugs while you are by yourself, or alone?

4. Do you ever forget things you did while using alcohol or drugs?

5. Does your family or friends ever tell you that you should cut down on your drinking or drug use?

6. Have you ever gotten into trouble while you were using alcohol or drugs?

STOP HERE, Thank you!

For Medical Staff Only:

Each “Yes” response on questions 1-6 receives a point. Points are added for a total score:

Score	Risk	Recommended Action
“No” to 3 opening questions	Low risk	Positive reinforcement
“Yes” to car question	Driving/Riding risk	Discuss plan to avoid driving after alcohol or drug use or riding with a driver who has been using alcohol or drugs.
CRAFFT score = 0	Moderate risk	Brief advice
CRAFFT score = 1		Brief intervention
CRAFFT score \geq 2	High risk	Consider referral for further assessment
